WHO WE ARE

INTELS Nigeria Ltd. Integrated Logistic Services

INTELS is a logistic leader company established in Nigeria more than 35 years ago. It's a pillar of logistics and a crucial player in the development of the Oil and Gas industry, supporting 90% of Oil and Gas offshore exploration and production activities.

Today, INTELS is a Multipurpose terminal that aims to provide effective solutions for every business needs, thanks to state-of-the-art facilities and continuous investments. It handles and provides services for any requirements and for any type of industries or materials. INTELS goes beyond logistics, offering also complementary services for its clients and foreign players.

PORT SERVICES

Receiving and dispatching goods while providing localized services and supplies: Intels offers a customized service package to cater to the requirements of companies engaged in the oil production and commercial business.

CARGO HANDLING Our Intels ports in Warri, Onne, and Calabar provide efficient and reliable cargo handling services, ensuring seamless movement and management of goods.

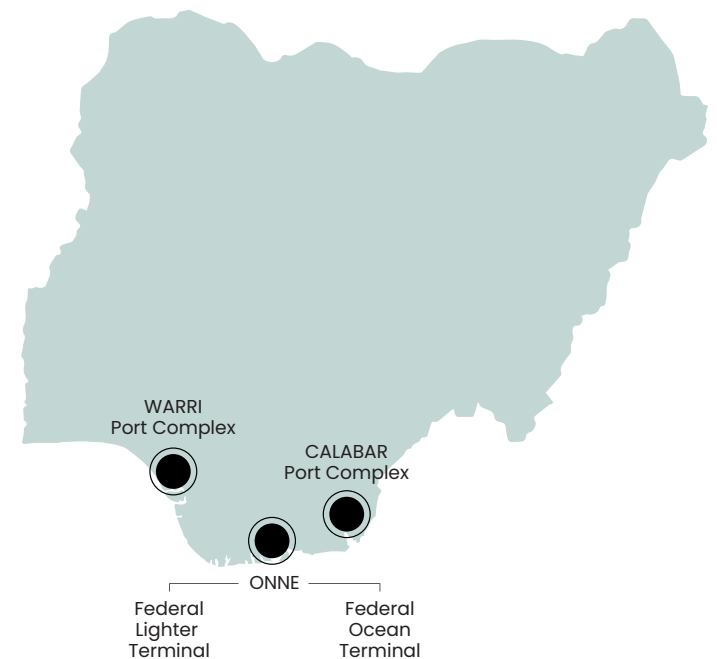

DEDICATED EQUIPMENT We offer a wide range of dedicated equipment designed to meet the specific needs of various industries, enhancing operational efficiency and productivity.

DEDICATED PORT FACILITIES Equipped with state-of-the-art facilities including advanced cranes and handling machinery, we guarantee optimal performance and safety for all your cargo requirements productivity.

DEDICATED PERSONNEL Our Intels ports pride themselves on a team of dedicated and skilled personnel who are committed to providing exceptional service, ensuring smooth operations and customer satisfaction.

OIL SERVICE CENTRE

INTELS **Oil Service Centres** situated in government-owned free zones, function as interconnected hubs. They provide client-specific areas for incoming cargoes, allowing safe storage, inspection, and assembly while awaiting customs clearance. This streamlined process ensures that cargoes are efficiently prepared for transportation to offshore rigs or their final destinations.

MULTIPURPOSE TERMINAL CONCEPT

INTELS is all about the multipurpose terminal concept, setting the stage for the present and future.

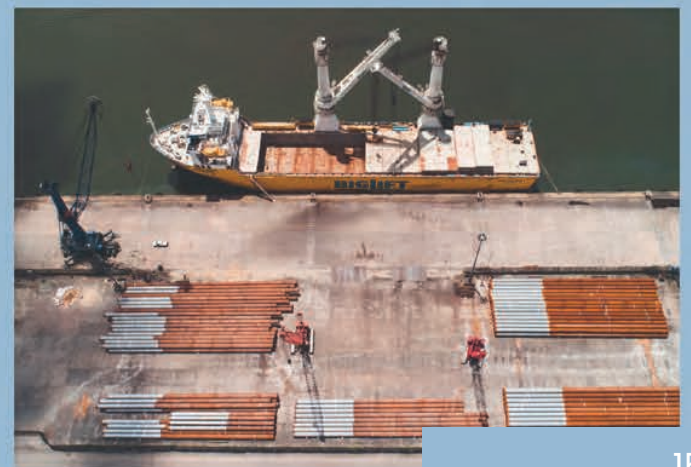

Our mission is to be the main logistics supplier for partners from any industry looking to break into or expand within the Nigerian market. We've got our clients covered with full-circle logistic solutions, from unloading and loading to storing any kind of materials.

With over 35 years of expertise, top-notch facilities available and top-quality services we aim to boost Nigeria's development and cater to our clients' needs
